Graeme Cole will e-mail the other sections and registration notice will be placed on the notice board. Funds are available for prizes. Some Skippers are available to take juniors fishing; juniors need to be less than 16 years of age and they will need to have a parent/guardian on board with them during the competition. If the weather is bad fishing can be done off the marina.

**13. General Business**

- 13.1 Terry Bell provided details of upcoming AAA events: 27/28 Nov State Estuary Competition which will be held in the Swan & Canning Rivers/Cockburn Sound. State Boating Championships to be held 26 March 2011 at Hillarys, hosted by MAAC; 5<sup>th</sup>, 6<sup>th</sup> & 7<sup>th</sup> March 2011 Beach and Rock event at Cheynes Beach: October 2011 Beach & Rock event at Port Gregory.
- 13.2 Joe Gauci advised Heather was not available to do the June bbq, this has been sorted.
- 13.3 Dennis Kenyon queried having the June competition on a long weekend. As it is not school holidays all agreed it could be held as scheduled. The carryover will be on the Sunday.
- 13.4 Terry Bell asked if it was possible to change the date of the next beach fishing competition as a lot of people would be away. There was considerable discussion regarding the beach competition at two locations (Steep Point and ORSSC). One of the concerns raised was the different fishing zones. Adrian verified it was not against the rules to hold a dual competition. Chris advised the Steep Point trip had been on the books for some time.

Proposal was put forward that the beach fishing competition scheduled for June to be moved to July 10/11.

**Proposed:** Chris Gaston

**Seconded:** Adrian Broadbent

**All Agreed**
