

Social Report

It's June already and what a busy month May was. I hope you were all able to attend some of the things we put on for you.

The weekend started with the Kings of Vegas on Saturday 14th and Tom Jones and Elvis played to a packed audience and had us all singing along, and the group, Word of Mouth, has us all dancing. We hope to have them back at some future date.

Mothers Day was next and everyone had a lovely time and enjoyed the meal and the music.

We put on a special sundowner on 15th and I hope you all enjoyed Just4Kix as much as we did, due to the weather they chose not to play outside.

Now to what's coming up. On 18th June we have Disco Inferno, it should be a good evening so get your tickets from the office.

The Commodore's Ball is coming up on 2nd July followed by Xmas in July on the 30th.

The next Quiz night is in August, watch for notices in the club.

Please don't forget the AGM is on the 18th August, we need as many of you as possible to be there.

For those of you who expressed an interest, our daughter's wedding was just perfect, even the weather smiled for her.

Last but not least, I hope you all get your affairs in order for the blight of our lives, tax time!!

That's it for now, see you in the club
